

SO GOOD, IT'S SENSIBLE.

Sensible Hot Dogs is an innovative plant-based food company that has designed and developed plant-based meat food alternatives and intends to distribute and sell its line of plant-based hot dogs. The Company's goal is to transform the consumer experience of plant-based eating and to prove that tasty foods can also come from less processed, natural ingredients.

LET'S GET SENSIBLE ABOUT UNSENSIBLE MEAT.

That's why we're reinventing the plant-based game through the humble hot dog. Sensible Hot Dogs is here to show that through tasty technology and smart sourcing, ethical alternatives can be delicious and nutritious.

We are starting off with 2 different styles of hot dogs:

CLASSIC HOT DOG

The "Classic" is inspired by the Game Day beef hot dog and just got upgraded to plant-based!

CHEESY HOT DOG

The "Cheesy" tastes like real cheese and uses the best plant-based cheese available.
